

# ICA Night at Busch Stadium FUNDRAISER

The Illinois Center for Autism needs your help!  
Budget cuts from the Illinois Department of Human Services  
has severely impacted vital social services and programs

For ICA, these budget cuts will...

- Dramatically impact all services at Pasta Fare for adult clients with Autism Spectrum Disorder (ASD).
- Reduce work opportunities in the community for individuals with ASD.
- Reduce services to all registered individuals with ASD in the Client & Family Support Program.
